About This Game

Game 'Valor Time' representative of the client family Session based multiplayer action RPG (session multiplayer role-playing games) of the medieval WASD non-target management system. The game process supports massive and bloody battles.

PLAYERS can choose from several fascinating battle modes.

The user is provided with the opportunity to play for three balanced Factions: 'Europe', 'Horde', and 'Rus'. Each of them has its own unique fighters and tactics of fighting. For maximum immersion in the world of 'Valor Time', you can play for all factions at the same time. Players, participating in bloody battles, earn gold, resources and fighting prowess. On the accumulated - they hire new fighters in the barracks, buy their weapons, and also rebuild and modernize their estate.

Non-target management system allows you to immerse yourself in a world of dynamic combat. With the help of the left mouse button, the player can strike in different parts of the opponent's body. The greatest harm is caused by accurate blows to the head and body, smaller - tangent impacts on the arms and legs of the enemy. You can protect yourself from a blow by holding down the right mouse button. At the same time, a soldier who purchased a shield in a weapons shop - goes into a blind defense, and a player is equipped with a one-handed or two-handed weapon will try to fend off an enemy attack. It is also important to note is that in the game there are 3 types of armor (light, medium and heavy) and 4 types of losses (piercing-cutting, crushing, chopping and stabbing).

The game will be in constant development. Will be added:

- New Animations
- New Cards
- New character levels and new weapons

Lead your investigation in the afterlife!:

Step into the shoes of Emily Meyer from Boston PD to face the mysterious case of 10 homicides. Using only your own experience and professional investigation techniques you will follow the hot trail of the serial killer known to the public as “The Guilty Man”. You are on the brink of solving this case when suddenly someone tries to derail your case. Using police techniques, you will follow the trail of the suspect while solving riddles and collecting fingerprints as well as different samples from crime scenes. When your investigation unexpectedly leads to the place between life and death, you will face the biggest challenge of your life. Will your detective skills be enough to let you survive in the afterlife? Can you solve the case? Test yourself in the world of ghosts, dark riddles, locks and enigmas.

Grammatical errors and typos.. **SiNKR 2 out now with bundle discounts for SiNKR owners:**

Finally! SiNKR 2 is out. Thanks for your patience. I've arranged bundle discounts for owners of the original SiNKR (and a sale for prospective SiNKR owners) so that now will be the most economical time to pick up SiNKR 2. It will be a long time before sale discounts and stacking bundle discounts combine for this price. Thanks for all the support and hope you enjoy the game.
